The application deadline is April 5, 2017 (*new date*).

FACTS Management, a division of Nelnet, Inc., makes quality education affordable for families and students, while supporting the financial stability of private and faith-based institutions.

One way we do this is through our Grant & Aid Assessment service, which allows schools to award financial aid with confidence to the families who truly need it. We work with schools to create a custom application for families, so FACTS can collect the financial data that matters. This way, your school will have the most accurate picture possible to make award decisions it can be proud of.
